SOLUTION OVERVIEW

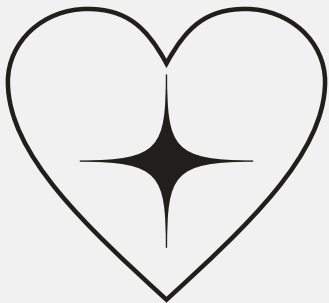

At Matterhorn Insurance Group, we offer a comprehensive range of insurance solutions tailored to meet the needs of the transportation industry. Our programs cover everything from auto liability and cargo to specialized products like occupational accident, contingent liability, and physical damage coverage. With deep expertise in designing custom solutions, we ensure that your business is protected at every level, backed by “A” Rated markets and industry-leading capacity.

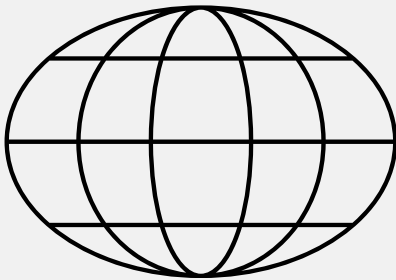

OUR SERVICES

Matterhorn Insurance Group delivers comprehensive, custom-designed insurance solutions with cutting-edge technology and expert risk management for TRANSPORTATION organizations across North America.

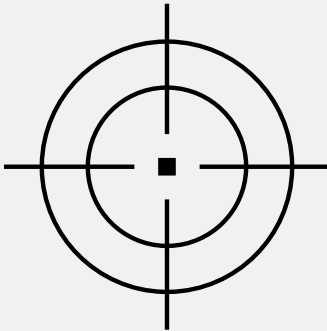

1-STOP SHOP

We provide comprehensive insurance products that cover all aspects of TRANSPORTATION across the USA and Canada.

SOLUTION DESIGN

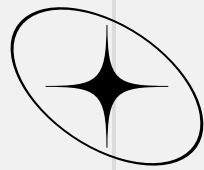

Custom TRANSPORTATION insurance coverage tailored to meet the unique risk management needs of your clients.

DIGITAL MANAGEMENT

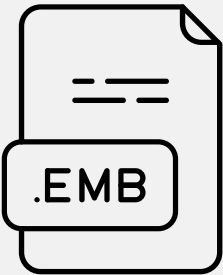

Our platform enables brokers to digitally manage and submit insurance products.

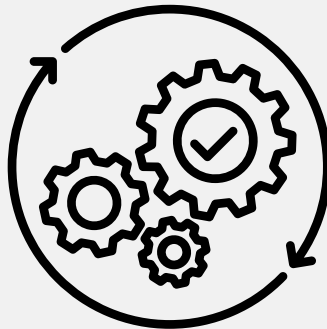

OUR SERVICES

We specialize in providing tailored coverage across multiple sectors, offering seamless integration, digital management, and innovative risk solutions that empower our clients and partners to thrive.

EMBEDDING

Embedding services into existing systems and processes for a seamless user experience.

TECHNOLOGY

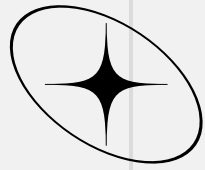

Digital product management, custom API integrations, and real-time data interactions.

RISK MANAGEMENT

Complex Risk Management solutions, addressing the unique challenges.

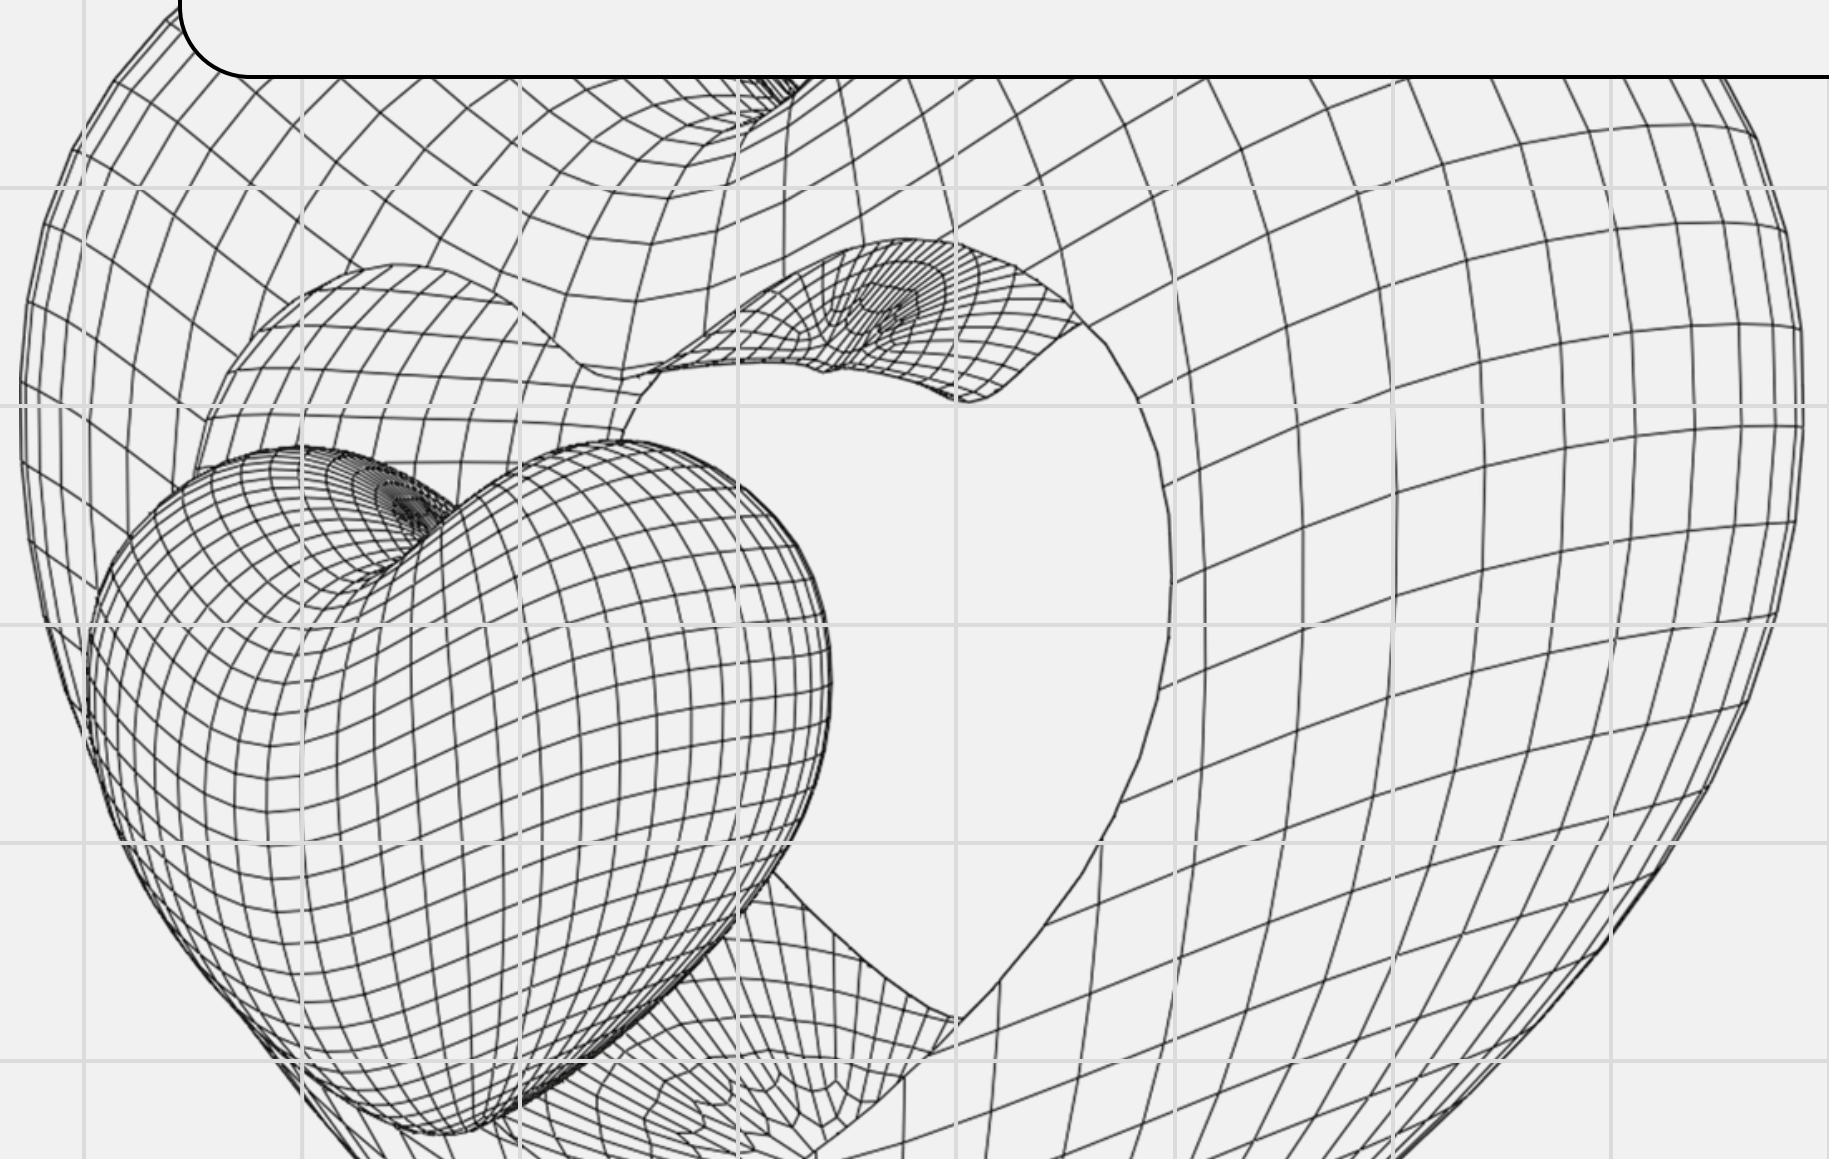

OUR PASSION

At Matterhorn, we vigorously support the independent contractor model through our partnership with Truckers Integral to Our Economy (TIE). TIE's mission is to preserve the Independent Contractor model, providing a legislative shield that preserves the operational models for both Motor Carriers and ICs.
